

Amendments to the Drawings:

Replacement sheets for FIGS. 1-4 are enclosed which formalize the drawings that were submitted with the application. No other changes have been made. Formal drawings are submitted herewith under separate Letter to the Official Draftsperson. Approval by the Examiner is respectfully requested.

REMARKS

Claims 33 and 34 were objected to due to certain informalities. Claims 33 and 34 has been amended as suggested by the Examiner.

Claim 33 was rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicants regard as their invention.

Claim 33 has been amended to depend from claim 32. It is believed that amended claim 33 now provides an appropriate antecedent basis.

It is believed that these changes now make the claims clear and definite and, if there are any problems with these changes, Applicants' attorney would appreciate a telephone call.

Accordingly, this application is believed to be in condition for allowance, the notice of which is respectfully requested.

Respectfully submitted,

Attorney for Applicant(s)
